

DIOCESE OF CORPUS CHRISTI  
IMMUNIZATION CHECK LIST

2013-14

In order for every student to be protected from communicable disease and to be able to participate in the school programs, the Texas Department of Health has established minimum health requirements.

All new students admitted to a school in the State of Texas are required to furnish a copy of their immunizations to the school office before they may enter school on the first day. Checked items on this list are missing from your student's record and must be furnished to the school office in order for your child to enter class.
